

Release Date: 14/06/10

Sharepoint No: NPP00112

TCT Drill Countersink

- Drill screw pilot hole and countersink in one action.
- For use in cement sheet, blue board, timber, plastic & abrasive materials
- Hex shank allows operator to switch from Quickbit Screw pilot drill/countersink to a screwdriver bit quickly when used in conjunction with a P&N Quickbit Adaptor.
- Made in Taiwan.

Features

- Tungsten carbide tipped (TCT) countersink
- Includes multi-purpose drill bit
- Removable drill for easy replacement
- Stop collar made from Spring Steel
- Stop collar for accurate control of countersink depth
- Hex shank suits quick change adaptors

Helpful Hints

- Loosen grub-screw to adjust drill bit for different length screws.
- Do not use hammer action.
- Slide stop collar over countersink and tighten grub screw to secure
